## Armenia and Ukraine one step from gold

**A**s expected, yesterday's before last round gave us a couple of important answers, but still not all of them.

In match number one -France-Armenia- all four games were drawn. Don't even think about an eventual prearrangement, it was a tough fight where it looked in one moment that Armenia is in trouble for the first time in this tournament

In match number two China won 3:1 against Czech Republic and Russia defeated Cuba with the same result. It was the most fought match on the top, without a single draw. This time it was Svidler's turn to slipper.

Israel stopped USA, winning 2,5:1,5. Gelfand won against Kamsky. Ukraine lost to Netherlands and it's the end of the fairy tale started in Calvia. The absence of Ponomarev was just too serious a handicap. Dutch players won this match in the same way as against Russia - three game were drawn and Nijboer was left to score a decisive point!

Germany surprisingly lost to Norway.

Young Carlsen found another victim. This time it was Naiditsch. Two teams managed to join the top with high victories: Bulgaria made 3 points against Slovenia and Hungary all 4 against Iceland!

Italian teams was rather successfull. «A» team drew with Dominican Republic, «B» team won 3,5:0,5 against Ecuador and «C» team did the same against Angola.

The standing on the top before the last round: Armenia 34,0, China 31,5, Russia 31,0, France and Hungary 30,5, Israel 30,0, USA, Netherlands and Bulgaria 29,5 and so on.

Top pairings for the last round are: Armenia-Hungary, China-Netherlands, Russia-Israel, Bulgaria-France and USA-Norway.

A status quo is maintained by women, only Ukraine managed to double the gap. Now they are two points ahead of Russia. They won 2,5: against India, while Russia was held to a draw by France. USA and China drew as well. In south kaukasian derby Armenia defeated Georgia with 2:1. Netherlands and Hungary drew.

The best comment on Italian teams would be «allegro, ma non troppo». «A» team won 2:1 against Australia, but «B» team was crushed by Azerbaijan 0:3:

The situation on the top before the last round: Ukraine 28,0, Russia 26,0, China 25,0, USA 23,0, Armenia 22,5, India, France, Hungary, Belrus, Poland Germany ,Georgia and Greece 22,0 and so on.

Top pairings for the last round are: Ukraine-Armenia, India-Russia, China-Belarus, Germany-USA, Poland-Georgia, Hungary-Greece and Czech Republic-France.

Risking to be boring I will repeat one more time that the only team with a perfect score according to the match points is Ukraine (women), because it is a kind of achievement which really deserves our admiration!

It seems that we have now only three candidates for «Nona Gaprindashvili» trophy. They are Armenia, Russia and China.
